### A-LEVEL ART & DESIGN

#### **CURRICULUM MAP**

T

### **YEAR 12**

#### **AUTUMN TERM**

# component 1(portfolio)

Students begin to gain knowledge about the requirements of the AQA mark scheme & how to evidence each of the four Assessment Objectives (AO's)

#### GEOMETRIC PROJECT

Practical skill knowledge from KS3 is built on using contextual sources as inspiration. Students explore a range of skills/materials. Two-dimensional and/or three-dimensional processes and media are explored to provide evidence for AO1/2/3/4

#### **SPRING TERM**

#### NATURAL PROJECT

The second theme of the coursework component begins. Practical work is inspired by contextual sources and student responses may include a range of two-dimensional and/or threedimensional processes and media AO1/2/3/4

#### **INTERIM 1 = NOVEMBER**

Knowledge of purposeful written annotation is explicitly taught within lessons

#### **SUMMER TERM**

#### PERSONAL INVESTIGATION PROJECT

The coursework component

continues Practical work is inspired by contextual sources selected by the student & responses may include a range of two-dimensional and/or three-dimensional processes and media A01/2/3/4

#### **INTERIM 2 = MARCH**

students select a theme for the **PERSONAL INVESTIGATION** (component 1). Artist research and drawing/photography of subject matter begins.

## YEAR 13

#### **AUTUMN TERM**

Students complete the PERSONAL INVESTIGATION PROJECT - using their knowledge of how to achieve the higher standards to refine work within structured lessons. The class teacher provides targeted interventions/feedback based on individual student strengths &/or specific AO's identified as requiring more evidence.

#### TRIAL EXAM= MAY

students complete an unaided task relevant to their coursework project to demonstrate their proficiency of drawing skills at this point of the course.

**NTERIM 2/TRIAL EXAM FEBRUARY** 

#### INTERIM 1 = NOVEMBER

component 2 (externally set assignment) -AQA issue the exam to students on 1 FEB Students respond to their selected starting point set by AQA following the work process & using knowledge of practical/written skills explored throughout the course.

end of course

AQA EXAMINED TIME = MAY
