

Knowledge Organiser

Project Outline

The students create music for the background of a video game using repeated patterns. They create melodic lines to represent different characters actions.

Key vocabulary and definitions

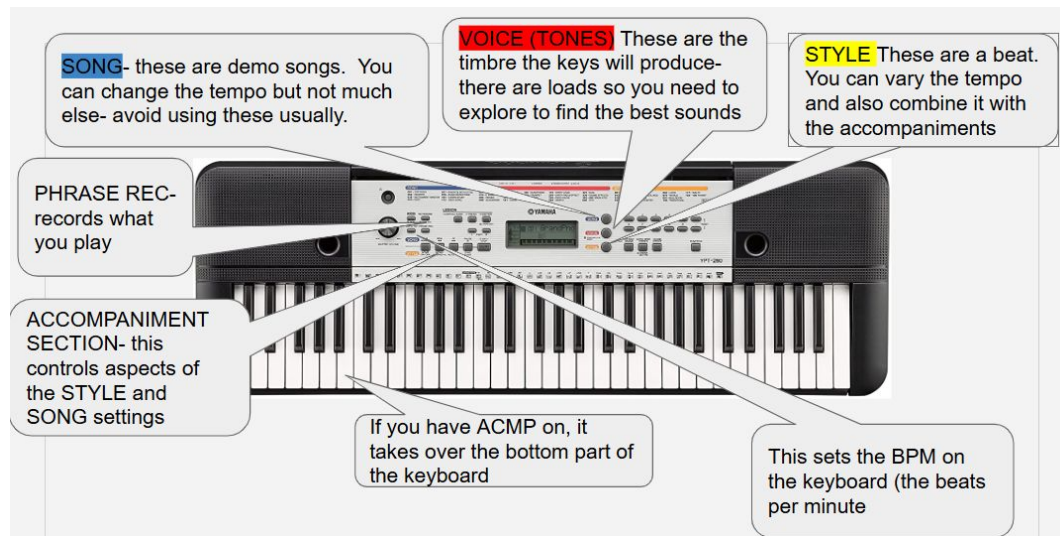

- **Ostinato**- a repeated pattern of notes
- **Motif**- a tune for a particular character
- **Timbres**- the voices used
- **Melodic line** - a tune
- **Rehearsing**- preparing for a performance

Assessment Criteria

- Effective ostinato for scene
- Effective motif for characters
- Choice of Timbres
- Development of Ideas
- Confident performance
