What can we do to support them?

How can we ensure that ... is on target?

Is ... doing as well as they could be?

Teachers will determine the student's suitability to the course. This will be indicated using 1-3 (1 highly suitable (green) and 3 showing serious concern (red)).

If the course is deemed not suitable then a conversation will take place between teacher, student and parent to agree a way forward.

We want the right students on the right courses to ensure their success!
