

MFL GCSE CURRICULUM ROADMAP

YEAR 10

1

Free time

Learning centers around what we might do in our spare time. Specific area of focus include Spanish-speaking sports stars, sports itself, life online, hobbies and the weekend.

Holidays

Students will learn how to communicate about holidays. This includes how to describe: a photo, where you might stay, travel plans and activities.

2

Family and relationships

Friends, family, different relationships and even celebrities are the focus of this unit. Students will also consider identity, giving advice and family celebrations.

3

Healthy living

Students will learn how to communicate about a healthy lifestyle including mealtimes, habits, routines, illness and injury and wellbeing.

4

Schools

Students will learn how to communicate about a healthy lifestyle including mealtimes, habits, routines, illness and injury and wellbeing.

5

Cities and towns

Talking, writing and listening about where you live, describing cities and your preferences in them and shopping.

1

The environment

The wonders of Spanish-speaking countries are explored as well as helping in the community. Students also learn how to communicate about climate change and potential solutions.

2

Planning for the future

Learning about the Latino Trailblazers, getting a job and career intentions, changes in the world of work and artificial intelligence.

3

Exam practice

Revision and exam practice for speaking, listening, reading and writing.

4

YEAR 11
